

RABIES WARNING ISSUED

With 15 cases of positive rabies since June 1, the recent outbreak in the southern section of Los Angeles County continues to be a serious threat to the citizens of the area located west of the Los Angeles River and south of Slauson avenue.

Pound Department deputies have been instructed to strictly enforce the leashing ordinance within the unincorporated area of the county, by impounding all dogs found running at large, or issuing court citations.

Marvin T. Thronson, county poundmaster, is asking that all dog owners cooperate by keeping their dogs confined to their premises except when on a leash and in the custody of a competent person. This order, calling for strict enforcement, is for the protection of the residents of this area as well as for the safety of their animals.

All complaints of dogs running at large in the unincorporated area, should be referred to the Los Angeles County Pound department, 11270 South Garfield avenue, Hondo, California—telephone LOrain 7-2293 or TOpaz 2-5849.

Alpert's Trendmaker Furniture Holds Open House at New Store

This week-end marks a double celebration for Alpert's Trendmaker Furniture . . . the store celebrates its third anniversary in Torrance as well as its moving to a new and greatly expanded location.

Alpert's, formerly located at 2067 Torrance blvd., will celebrate its grand opening this week-end at the new location, 2153 Torrance boulevard, corner Arlington and Torrance boulevard.

"During the time that we have been here we have been constantly improving the calibre and variety of our merchandise," Lee Alpert, owner of the store stated. "Today we can say that we carry the finest modern brands and the largest selection anywhere in Southern California."

Alpert's carries a complete line of furnishings ranging from lighting fixtures to carpeting.

Instead of shopping around in different stores for what they want, customers can satisfy all their home furnishing needs at this one location.

Grand Opening
Friday evening will be devoted entirely to welcoming individuals who would like to browse around the store. No selling will be done that evening.

There will be gifts for the entire family. A number of special prizes will also be given

away. No purchase is necessary to qualify.

Complete Services

"In addition to the vast variety of furniture, we offer drapery service, custom-made bed spreads, carpeting, and the largest selection of accessories and wall decor anywhere in Southern California," Alpert stated.

"We carry many imports both in furnishings and accessories . . . for instance: crystals from Venice; brass accessories from India; furniture and accessories from Sweden, Holland, Denmark, and selected pieces from Japan, Alpert said.

"We came to Torrance three years ago with one aim in mind. That was to build, not the largest, but the best modern store in Southern California. We have been touring the various markets for the past six months seeking the finest lines.

World-Famous Lines

"Today we are proud to carry such world-famous lines as Paul McCobb, Greta Grossman, Glenn of California, Brown-Saltman,

BOB MANSFIELD
... manager

Lightoller, Debut of California and many, many others," Alpert said.

Alpert's policy is to offer the finest and most comprehensive

selection at consistently lower prices.

Customers may also avail themselves of the professional advice of two interior decorators, and one color consultant. There is no charge for this service available to individuals whether it involves a corner of a room or an entire home either in an apartment or a mansion.

Managing the local store will be Bob Mansfield who has had 13 years of experience in the furniture business and in interior decorating.

Long Experience

Alpert has had many years of experience in the business. At one time he did the decorating for the largest modern store in Los Angeles, prior to which he was co-owner and manager of a store in southwestern Los Angeles.

Alpert was also associated in business with his father who retired after 27 years in the furniture business.

He has designed furniture and accessories and some of his creations are presently carried in his store.

A special mattress, built to his own specifications, is also featured.

Yovan John Popovich of 2067 Carson street, Torrance, was graduated with a BA degree in social science on Saturday, June 18, at the Santa Barbara campus of the University of California.

LARGER STORE FOR ALPERT'S . . . Alpert's Trendmaker Furniture store opens this week-end at new and larger quarters at 2153 Arlington ave. The opening, which also celebrates the

third anniversary of the store in Torrance, will be marked by a special open house featuring free gifts for the entire family.
